

THE BOOK CLUB

Dear, _____

Welcome to the book club!

Please send one book to the person listed in Spot #1 below. Next, move my name to Spot #2 and put your name in Spot #2. Then send this letter to 6 friends.

Thank you for participating!

Your friend, _____

If you cannot do this in the next 6 days, please let my parent know so they can send the letter to someone else so it's fair to all the other children who have participated so far. Within 2 weeks, you should receive 36 books. It is a lot of fun and exciting to see where the books come from. It's also really fun for us to get mail!

#1 SPOT

This is to whom you send the book.

#2 SPOT

Move this name to the #1 spot on your letter and put your name here.

I have sent this letter to these six friends:

HELPFUL HINTS

To make it easier, my parent and I have enclosed a blank letter for you to copy. Before you write on it, make 12 copies (1 for each of your 6 friends you are sending this letter to, and then 6 blank copies to each of them to make it as easy for them as it was for you)!

You only need to buy ONE book. You can send the book from Amazon (or wherever you purchase from) directly to the participant.
